Automated Logbooks

Instantly generate business and personal use reports to streamline your tax/ reimbursement submissions and trip logging.

Optimised Running Costs

Slash fuel bills and vehicle wear-and-tear by tracking harsh acceleration, sharp turns, and excessive idling.

Vehicle Health Monitoring

Stay ahead of costly breakdowns with automated vehicle maintenance and licence renewal reminders.

Comprehensive Driver Management

Use driver scoring and detailed dashboards to improve fleet behaviour, increase safety, and negotiate better commercial insurance premiums.

Build Your Perfect Fleet Defence

Telematics data is just the beginning. Power your insights by integrating Titan Secure's patented anti-theft tech or Titan Vision's AI-driven smart cameras.

Rates are indicated in South African Rands | We reserve the right to review these rates without prior notice. **Updated 25.08.2026**
